

JUAN URENA

MULTIMEDIA DESIGNER

WWW.JUANLOVE.DESIGN

ABOUT ME

I'm a multimedia professional with experience in video production, motion graphics, graphic design, photography, and web design/development. I've led projects from concept through final delivery in studio, field, and live broadcast environments.

I'm highly skilled in Adobe After Effects, Premiere Pro, Photoshop, Illustrator, Audition, and InDesign, and have worked across tech, esports, education, and legal media while managing multiple roles within the production workflow.
